From Executive Director Sara:

Customer Experience Survey Results are in. Back in December we had Residents and the Primary Family Contact complete a survey. These results are in and over all they were very good. We had 95% of Residents respond and 59% of Families respond. The family response was a little lower than we hoped for, so if you have any ideas how to help get our response rate up let me know. The two areas that Lifespark really likes to focus on are the following areas: Overall Quality of Services and Recommendation to Others For Overall Quality of Service - Residents scored us at 91% and Families scored us at 93% For Recommendation to Others - Residents scored us at 89% and Families scored us at 93% The area that we scored lower on was Dietary. So we are conducting some more survey's among residents to get a better feel for what their thoughts are on the dining section. From there we will work on our improvement plan to improve this score. If you have any questions please reach out..

From Community Life Director Laurie:

Hello,
As we bid farewell to February and welcome March, we look forward to some nicer weather but are realistic in knowing we will get another blizzard of the century. I love a good snowstorm but of course want to be stranded in my home with family, spending my day doing crafting and enjoying a hot cocoa with peppermint schnapps!!

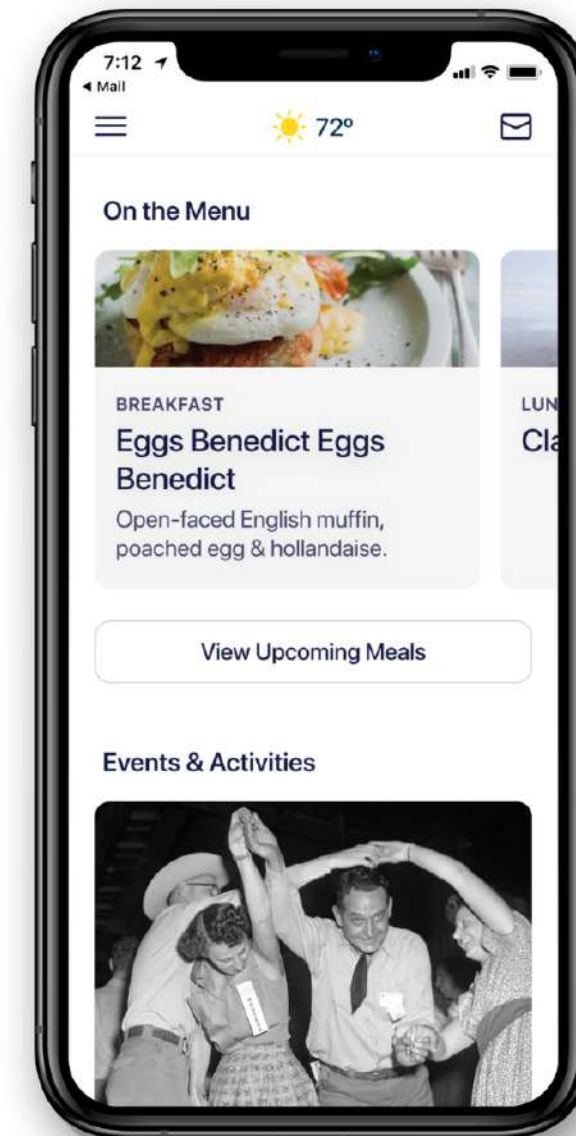

We are looking forward to adding some bus outings to our calendar, picnics, grilling, lightweight jackets, flowers and the smell of fresh soil being turned for planting gardens and fields.

Spiritual

Come, thou fount of every blessing. Tune my heart to sing thy grace!

-Robert Robinson (1758)

I grew up singing one of my favorite songs, Come Thou Fount of Every Blessing. I've sung it hundreds and hundreds of times in my life, but it became my favorite because of some very specific memories. I remember as a child, visiting my grandparents who lived in another state. I remember sitting in the hard, wooden pews of their small-town church, snuggling into my grandmother's warmth, feeling her deep breaths and the vibrations of her singing, "tune my heart to sing thy grace." I felt safe there, and I knew that I was loved. In a way, those moments were attuning my own heart to experience and treasure the faith that has been passed down in my family for generations, even as I have grown into a faith of my own. When you think about what faith – or spirituality – means in your life, are there people or places, songs or words that make you feel safe and loved? How has your own belief been shaped? Who has been a part of your journey to becoming who you are?

From the Games:

We are looking forward to adding some bus outings to our calendar, picnics, grilling, lightweight jackets, flowers and the smell of fresh soil being turned for planting gardens and fields. Stay tuned for the news on the Dragonfly TRYathlon team as they are doing very well this season. Coming up on the Final Four games and maybe even a shot at the World Championship games again.

Stay well,
Laurie Ourada,
Community Life Director

Community Life:

We'd like to give a thank you to the families and residents that showed up for their friends and loved ones during our Celebration of Life Ceremony. We understand each journey is difficult in its own way. We appreciate all the families for allowing us to care for their loved ones until the end.

Thank you, Community Life Staff
