BUILDING OUR LIVES
One memory at a time

From Community Life Director Laurie:

Hello September,
Oh how I love this cooler sweatshirt and blue jeans weather!! Our Honey Crisp tree is laden with red apples. As I mow under the tree I am able to reach up and grab a big one and shine it up on my jeans and enjoy the crisp juicy apple as I work. This time of year I enjoy making apple crisp, jelly, pie, apple dumplings and cider. the tomatoes are riping finally and I look forward to a great big BLT when I get home from my work day! I am pretty sure they are my favorite sandwich in the whole world. I have been busy crafting fall decor to include a bench, punkins for the mantle and scarecrows made from shims. whenever I can repurpose wood I am happy! Recently I attended a Fall Church Auction and made a bid on an 1886 Rullman Wringer Washer. it was a fun bidding war between neighbors!! I washed my first load of clothes in it to include an apron, socks and a union suit!! and yes I hung them on a clothesline to dry!! Enjoy the little things in life, they are truly what makes us happiest. Blessings, Laurie

Community Life

We are pleased to announce that Sue Jants has joined our team as a Community Life Assistant. She brings 14 years of experience as an activity assistant, making her a wonderful addition to our community. Sue has been happily married to her husband Jason for 30 years and they have one son. Outside of work, she enjoys exercise classes at the YMCA, baking, hiking, biking, playing games with her family, and finding the perfect donut shop. She loves donuts! Sue is eager to create meaningful and fun activities here and to help find those special moments of joy. She is thrilled to be part of our community and looks forward to meeting and building relationships with our residents and staff! Welcome Sue!!

Meet Grant

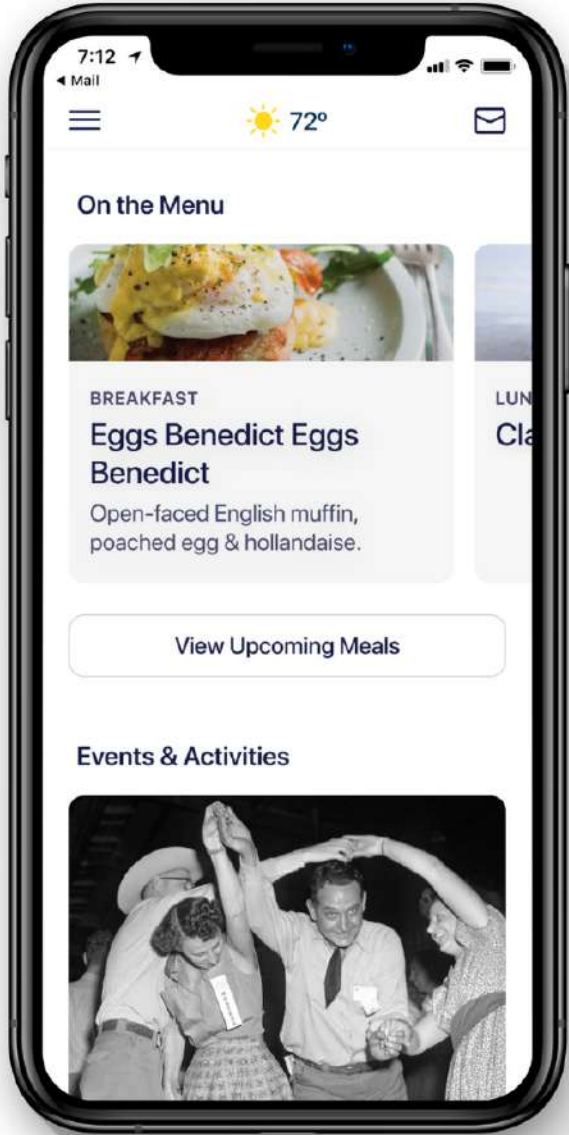

Welcome to Grant Will, our Director of Environmental Services (Maintenance Man). He joined our team in May of 2025. Grant has found the staff to be caring, patient and fun. Residents at Heritage Pointe are kind, humorous and appreciative. Together, the people at Heritage Pointe make him look forward to coming to work each day. Grant feels lucky ecause there are great people at home too! His wife, Missy, is beautiful inside and out, and he enjoys everything they do together. They have five kids and two dogs, so the house doesn't get too quiet. Grant enjoys playing games, foosball, ping poing, or any game that isn't completely reliant on luck. He is competitive and like to infuence the outcome of game. He enjoys hunting, and being outdoors. You may see Grant umpiring on the baseball diamond during the spring and summer, although he won't be wearing a bandana and headlamp as he often does at Heritagel Welcome Grant.

The Dragonflies Grip Game is in the final week of regular season. We have great hopes of being in Final Four and Championship game. It has been a fun Grip Season with 17 Dragonfly Team members participating.
